# WELCOME TO OUR COMPANY

**Rananjay Exports** was established in 2013 in Jaipur, India, to become the largest and the most trusted wholesale jewelry manufacturer and supplier. Witnessing the struggles that a retail jewelry business faces every day, we were determined to make things easier for them. We didn't want to do it for one or two retail jewelry businesses. Still, We wanted to impact as many as possible worldwide. This gave us the inspiration to have an online presence and serve all those who want to achieve great heights.
